About me

I am Simbulele Tauzeni, a dedicated Software and Automation Tester. I graduated from Walter Sisulu University, and I honed my skills at Capaciti where I gained solid foundation in testing methodologies. Complimenting my technical expertise, I also delved in to leadership studies at Aspire Institute a Harvard Business School founded Institute. I thrive in delivering efficient, quality solutions in the dynamic realm of software testing.

Achievements & Key Projects

CISSP Information System Security Professional
CCNAV7 Introduction to Networks
Introduction to Cybersecurity
